HAD ENOUGH OF GANGS IN SAN BENITO COUNTY?

Art Cantu for District Attorney: Tough Enough to Stop the Gangs

Dear Voter,

Have you had enough of the growing gang violence?

On June 6th, 2006 let's get to work sending gang members and drug dealers to prison where they belong.

I am THE candidate endorsed by the Department of Justice Special Agents and Statewide law enforcement organizations.

- **I will work with federal prosecutors to put gang members in Federal Prison.**
- **I support longer prison terms for convicted gang members.**

With your vote on June 6, we can begin taking gang members off the street and putting them behind bars, once and for all.

Sincerely,

Art Cantu
