## **BARBARA CORNETT:** *Ensuring Educational Excellence*

- Continue our successful efforts to improve student test scores
- Provide local school districts with greater support and guidance in the implementation of sound educational strategies
- Secure increased funding for our schools and resist efforts at the state level to reduce education spending
- Improve services and facilities for students served by the Monterey County Office of Education programs
- Improve the working conditions of teachers and support staff
- Continue and expand programs, facilities, and classes to benefit severely-handicapped children (such as the Ruth Andresen and Henry Morgantini centers) and autistic children
