A Message to Voters from MCBOE Trustee Barbara Cornett

Dear Friend,

As a member of the Monterey County Board of Education (MCBOE), Trustee Area #2 for the last four years, I am writing to ask for your vote as I seek re-election to the Board this November.

I have devoted much of my career to education and improving the quality of education for our children and grandchildren. I have served as Assistant Superintendent for Personnel and Director of Special Education for the Salinas Union High School District as well as working as a classroom teacher and school nurse. I am the MCBOE's Liaison to the Special Education Local Plan Area, a Member of the Board's Committee for Policies, Liaison to the Monterey County Schools Insurance Group as well as a member of the California Retired Teachers Association.

My goals for the next four years include:

- Continuing our successful efforts to improve student test scores
- Providing local school districts with greater support and guidance in the implementation of sound educational strategies
- Securing increased funding for our schools and resisting efforts at the state level to reduce education spending
- Improving services and facilities for students served by the Monterey County Office of Education programs
- Improving the working conditions of teachers and support staff
- Continuing efforts to expand programs, facilities, and classes to benefit severely-handicapped children (such as the Ruth Andresen and Henry Morgantini Centers) and autistic children.

In this campaign, I am proud to have the endorsement of the Salinas Valley Federation of Teachers and the California School Employees Association. I also have the endorsement of local educators and community leaders, including High School Board Trustees Jim Reavis, Anne Brown, and Art Gilbert. Please join them in casting your vote for Barbara Cornett for Monterey County Board of Education, Area #2 on November 6.

Sincerely yours,

Barbara Cornett
