Dear Atascadero Voter,

As your friends and neighbors, we are writing to urge you to Re-Elect Tom O'Malley to Atascadero City Council on November 7.

We have known Tom for many years and respect and admire him for his honesty, leadership, and sincere dedication to our community. Tom has devoted thousands of hours of his time to making Atascadero a better place for our families and it's hard to imagine city government without him.

As our Council member, Tom has taken the lead in so many projects that are improving our city. We're thinking of such projects as the new Carlton Hotel, bringing Farmers' Market downtown, renovating the Sunken Gardens, and the coming arrival of Colony Square. We're excited about the new Youth Center Tom has championed as well as the new park land Tom helped acquire for Stadium and Paloma Parks.

We're also proud of the fact that our roads are being repaired and new traffic lights installed throughout the city to improve safety. Tom has also ensured that our police and fire departments are properly equipped and staffed and he's fought to make new development pay its own way.

Virtually all of these accomplishments have been achieved by securing new funds, partnering with the private sector and old fashioned budget balancing without raising taxes!

Tom O'Malley has done so much for Atascadero. He can do so much more. Please vote for Tom O'Malley for Council on November 7.

Sincerely,
