A Message to Gilroy Voters

WOODWARD FOR CITY COUNCIL

Dear Gilroy Voter,

I am a Gilroy resident and for nearly thirty years I served as a judge of the Santa Clara County courts, including the last 20 years on the Santa Clara County Superior Court. I endorse Perry Woodward as a candidate for election to the Gilroy City Council.

I have known Perry for more than three decades and his family for much longer than that. He is a fourth-generation Gilroyan with strong family roots in our community. He is a hard-working attorney, husband, and father. Most importantly, he is a man of great integrity and has a genuine concern for the needs of the people of Gilroy. He is also a man of his word who says what he means and means what he says.

Perry is endorsed by the Gilroy Police Officers Association, the Gilroy Firefighters, and the Gilroy Dispatch. Public safety organizations support Perry Woodward because they know that he believes that protecting the life and property of each resident of Gilroy should be the number one priority of city government.

Perry is committed to a Gilroy free from gangs and drugs. He will work hard for a Gilroy with safe neighborhoods and safe schools. He is committed to ensuring that our public safety agencies have the staffing, funding, and equipment they need to respond to any emergency.

Many candidates make promises in their campaigns. In many cases, those promises are made simply to win votes. I believe Perry Woodward is a very different kind of candidate. I truly believe that he will fight for the New Direction at City Hall that he has made the theme of his campaign. Perry is running for Council because he sincerely thinks we, the people, can still make a difference and make our voices heard in the chambers of local government.

I strongly urge you to cast your vote for Perry Woodward for Gilroy City Council on November 6. He is by far the best qualified City Council candidate.

Respectfully,

Hon. Joseph F. Biafore, Jr. (Ret.)
Judge of the Santa Clara County Superior Court
