

Vote November 6: **Perry Woodward for City Council**

GILROY CITY HALL
7893 ROSANNA STREET

Endorsed by: Gilroy Police, Gilroy Firefighters & Gilroy Dispatch

Dear Gilroy Voter,

We endorse Perry Woodward for City Council on November 6.

Perry is a candidate of knowledge and integrity. Having lived all his life in Gilroy, he understands the issues that we face on a daily basis, whether it be increased traffic, parking problems, the deplorable condition of our city sidewalks, the crisis in our schools, or the unceasing battles over growth and development.

Perry believes it's time for real change in city government. He believes it's time that the Council more closely votes and acts in the interests of the people of Gilroy, not just the city bureaucracy. He believes that our current Council has too often acted contrary to the will of the voters and in a manner that is secretive and disdainful of public participation and public involvement.

As your Council member, Perry will work to reject the sidewalk ordinance that makes homeowners liable for lawsuits caused by the city's failure to fix the sidewalks. He will fight to change the Council's decision to grant overly-generous pay raises to top employees. He will work to find ways to eliminate Gilroy's \$4.7 million budget shortfall. He will advocate for improving our local schools and school facilities. And, he will take a measured position on whether to approve the new Westfield Mall, evaluating not just the potential for raising new revenue, but the impact on traffic and our historic downtown.

With your vote for Perry Woodward on November 6, you can make a real difference in the kind of leadership Gilroy has over the next four years. You can ensure that we have leadership that works for our residents, not the special interests.

"Perry Woodward gets it. He is a born-and-raised Gilroyan. Of the candidates, he is the most articulate. He worked his way from Glen View Elementary School through Santa Clara University Law School. He's bright, he's able to condense issues and think critically about those issues and he is our top choice in this year's City Council race."
